

Waltham, Feelin' It

I know you want to tell me everything
But is this everything you want to say to me?
Cuz I know how you can be, yeah!
It's like the times you didn't want to go
And like the times I said youԶe gotta let me know
It should be me you want to show
Cuz everything says you and me babe, belong

I never knew I'd meet a girl
Who'd make a difference in my world
I'm feeling' it

F-f-f-feelin' it
I'm really feelin' it
F-f-f-feelin' it
I'm really feelin' it

It's when I say I'm going to be in town
That's when I want to hear you say you'll be around
But you never make a sound, yeah!
And still I want to see you anyway
I'm going to show you girl with every word I say
That you're being overchay
Cuz everything says you and me babe, belong

I never knew you'd be the girl
Who'd make a difference in my world
I'm feelin' it

F-f-f-feelin' it
I'm really feelin' it
F-f-f-feelin' it
I'm really feelin' it
F-f-f-feelin' it
I'm really feelin' it
F-f-f-feelin' it
I'm really feelin' it

I just want you to keep believing
I don't want you to go
I never want you to think I'm leaving
I just want you to know
