

Wanda Jackson, Everything Is Beautiful

Everything is beautiful in its own way
Like a starry summer night or a snow covered winter's day
And everybody's beautiful in their own way
Under God's heaven the world's gonna find a way

There is none so bling as he who will not see
We must not close our minds gotta let our thoughts be free
Every hour that passes by you know this world gets a little bit older
It's time to realize that beauty lies in the eyes of the beholder
And everything is beautiful...

We shouldn't care about the length of his hair or the color of his skin
Don't worry about what shows from without but the love that lives within
We're gonna get it all together now yeah everything will work out fine
Just take the time to look on the good side my friend
And straighten it out in your mind
Everything is beautiful...
Everything is beautiful...
