

Wanda Jackson, I'd Rather Have A Broken Heart

I'd rather have a broken heart a two time love I want no part
I'd rather have I'd rather have a broken heart
Don't want to share that kind of love it ain't the kind I'm dreamin' of
I'd rather have I'd rather have a broken heart
I'm gonna kiss your love goodbye I'd rather be a bird that flies
I'd rather search for better things than see a bird with broken wings
The dreams I've dreamed I tear apart I'm gonna stop before I start
I'd rather have I'd rather have a broken heart
(guitar - fiddle)
I'm gonna kiss your love goodbye...
