

Wanda Jackson, I'm The Queen Of My Lonely Little World

I don't have to be loved to sleep I can't just lie here and weep
Cause I'm the queen of my lonely little world
No one can tell me what to do I know it all I learned from you
Yes I'm the queen of my lonely little world
My every wish is my command and I don't need your helping hand
I'm the queen of my lonely little world
You said I couldn't live without you guess I showed you a thing or two
Cause I'm the queen of my lonely little world
At night the moon don't shine no more lonely gloom comes round my door
But I'm the queen of my lonely little world
When the daylight finally dawns blues move in around my throne
But I'm the queen of my lonely little world
My every wish is my command...
