

Wanda Jackson, I'm Waiting Just For You

You have to leave me all by myself dear and I've been crying the whole night through
But I've been telling everybody I'm waitin' just for you
Your friends are trying so hard to tempt me there's no use trying cause I'll be true
And darling you don't have to worry nobody else will do
(guitar)
I know this waitin' can drive me crazy don't mind this waitin' it's nothing new
For I'll be telling everybody I'm waitin' just for you
Maybe a long time before I see you so we can do what we used to do
But I'll be telling everybody I'm waitin' just for you
