

Wanda Jackson, I Misunderstood

I MISUNDERSTOOD

(Wanda Jackson - Wendell Goodman)

'62 Combine Music

I misunderstood right from the start

While you gave just kisses I gave you all the love in my heart

I misunderstood how foolish I was

To think you would love me you never could but I misunderstood

I misunderstood your intentions for they seemed right to me

You showered me with attention and lies I wanted to believe

I misunderstood so darling you should

Love me or leave me I love you though I misunderstood

Love me or leave me I love you though I misunderstood

Love me or leave me I love you though I misunderstood
