Wanda Jackson, I Misunderstood

I MISUNDERSTOOD (Wanda Jackson - Wendell Goodman) '62 Combine Music

I misunderstood right from the start While you gave just kisses I gave you all the love in my heart I misunderstood how foolish I was To think you would love me you never could but I misunderstood I misunderstood your intentions for they seemed right to me You showered me with attention and lies I wanted to believe I misunderstood so darling you should Love me or leave me I love you though I misunderstood Love me or leave me I love you though I misunderstood Love me or leave me I love you though I misunderstood
