

# Wanda Jackson, Is This My Destiny

Cursed with sorrow pain and woe full of feeling I can't show  
Hopeless love what else for me is this my destiny  
At night I toss and wonder why I must live while others die  
The grave would be escape for me from this my destiny  
( steel + guitar )  
I know God surely made for every man somewhere a maid  
Someone stole my love from me is this my destiny  
At night I toss and wonder...  
Fom this my destiny
