

Wanda Jackson, Let My Love Walk In

Come on and open up that door to your heart and let my love walk in
Open up that door to your heart and let the big romance begin
See you had my lovin' and my kissin' you don't know what you've been a missin'
Open up that door to your heart and let my love walk in
Open up that door and let my love walk in
Open up that door and let the big romance begin
Don't let the good times roll by that would be a sin
Open up that door sweet baby and let my love walk in

Don't you know I've been a waitin' for a long long time
Just to have you near me and hear you say you're mine
I'm pleadin' with you baby on a bended knee
Open up that door sweet sugar and take a little chance on me
Open up that door...
Open up that door...
