

Wanda Jackson, Long Legged Guitar Pickin' Man

Well I'm gonna start out walkin' just you wait and see
Uh-huh guitar picker you ain't leavin' without me
Oh you big mouth woman you long legged guitar pickin' man
But we can work this out uh huh yes ma'm I think we can
Well I stole the Hope diamond hopin' I could shut your mouth
But how am I gonna wear it if I got to hide it out
Well you big mouth woman...
Well I bought you a first class ticket for a luxury liner cruise
I got out in that ocean looked around and there was you
Oh you big mouth woman...
I bought you a big long limousine but I don't want no car
I gave my love and everything but you're still what you are
You're just a big mouth woman...
Oh honey I love that big sweet mouth you a long legged guitar pickin' man
Ha ha I'm gonna pick it for you now you a nice guitar pickin' man
