

# Wanda Jackson, One Minute Past Eternity

When will my arms grow cold when will your kiss grow old  
When will I want to be free exactly one minute past eternity  
When will I make you blue she can't run around on you  
Throw away the love you've given me exactly one minute past eternity  
Eternity's for ever so darling have no fear  
My love for you will last and last a million million years  
When will I say goodbye break your heart and make you cry  
Tell you to forget about me exactly one minute past eternity  
( guitar )  
Eternity's for ever...
