

# Wanda Jackson, Please Love Me Forever

Please love me forever don't forget me ever  
Just listen to my plea please don't stop loving me  
You're in my dreams nigty don't take my love lightly  
Begging on bended knees please don't stop loving me

Oh when I lay me down to sleep I pray the Lord your love have keep  
If I should die before I wake I'll be back for you that's no mistake  
So I'll love you forever can't forget you ever  
Our love was meant to be please don't stop loving me  
You're in my dreams nigty...
