

Wanda Jackson, Woman Lives For Love

I don't mind waiting up for you late hours and I always try to smile when you come in
I don't mind getting up so early get the kids to school and you off to work again
Sometimes a woman's life is not so easy and the man at times is hard to understand
And I can tell sometimes you think you failed me
But in your way I know you do the best you can
So I'll do anything for you anything you want me to
And never once will you hear me complain
For my day is made at night when you kiss and hold me tight
And say you love me cause a woman lives for love
Yes I'll do anything for you...
Yes I'll do anything for you...
