

Wanda Jackson, You Bug Me Bad

YOU BUG ME BAD
Writer Wanda Jackson

Baby-baby, boy you bug me bad
Yeah, baby-baby, boy you bug me bad
You're the strangest little lover
This old world has ever had
Baby-baby, boy you bug me bad
Well, baby-baby, what makes you so strange
Yeah, baby-baby, what makes you so strange
I can't tell if you love me
Or if you're just playin' a game
Baby-baby, what makes you so strange
One minute, you're a sweetie
The next one you're a cat
One minute, you're happy
The next one you're sad
Well, baby-baby-baby, boy you bug me bad
Yeah, baby-baby, boy you bug me bad
Your lovin', your kissin'
Man, you know that's what I'm missin'
Baby-baby, boy you bug me bad
One minute, you're a sweetie
The next one you're a cat
One minute, you're happy
The next one you're sad
Well, baby-baby-baby, boy you bug me bad
Yeah, baby-baby, boy you bug me bad
Your lovin', your kissin'
Man, you know that's what I'm missin'
Baby-baby, boy you bug me bad
Baby-baby, boy you bug me bad!
