

# Wang Chung, Ti Na Na

(Jack Hues)

You're sending messages to me girl  
I feel them flashed across the land  
It's such that I can disbelieve girl  
And what you feel is in my hand

Chorus:

Ti na na, Ti na na ne girl

Ti na na, Ti na na ne

Ti na na, Ti na na ne girl

Ti na na, Ti na na ne

It's cold outside, I can't breathe girl

Without a pain inside my heart

And if I should ever leave girl

And even then without a start

So I'm sitting by the fireside

Or on the beach or some hotel

And I feel like sitting down and crying

I sing the words I know so well

Repeat Chorus
