Album: Nightmares That Surface from Shallow Sleep

Track: Falling Hammer

Typed By: X-Calibur, Tha Masta

(Intro: Holocaust)

Warcloud, West Coast Wu-Tang Clan

Dirty hammer drop, the dirty hammer drop

(Holocaust: Hook x2)

Dirty hammer drop, door knocker, funeral rose

Crosscut saw, play dead, the bone breaker

Tooth Fairy sleeper hold, dark greeting stay gun wise

Wolf bite, falling tree, old Tequila Sunrise

(Holocaust)

Welcome to the bunkhouse, jewellery in the sound

I'm laying on the roof with no skin from the top down

You're Watching old Mickey Mouse cartoons, I'm grim

There's a broad with a cocktail dress inside my pen

I'm William H. Bonney, the look of John Merrick

I'm Clay Allison who turned to Pat Garrett

Dwelling in the pueblo, setting my dirty guns down

Look out for the cat in the box, we go to fun town

Poets better shush or get mush, my gun blaow you

Dazzling diamonds, sparkling values

Will flagrant value, punch you until you splatter

Then jump up and punch a hole in the moon and watch it shatter

'Be he 'live or be he dead, I'll grind his bones to make my bread'

(Hook: 1 3/4)
