

# Warhead, The Other Side

(music: eilen-breitenbach/lyrics: eilen, arranged by WARHEAD)

Speech of the leader in front of his followers;  
he demands they follow his orders and fight against their enemies.

hahahahaha! listen to me  
children, listen to what I say  
you're all here to find the truth  
to find God and your duty  
so when I say kneel  
you'll have to kneel and speak to God  
and now fold your hands and close your eyes  
'cause this is what God has to say to you

you're here to pray along your way  
into the night, the other side  
and when you find the one who's blind  
prepare to fight, the other side

hahahahaha! listen to me  
disciples, spiritualize my speach  
there's one God on this world  
he says walk my way and you'll never die  
so I say believe and you'll believe  
'cause God speaks to you  
now lay down cause I've come to heal you  
your mind and your body

you're here to pray along your way  
into the night, the other side  
and when you find the one who's blind  
prepare to fight, the other side
