

# Warhorse, Doom's Bride

(Music-Hubbard, Orne/Lyrics-Orne)

Might King Osric  
Lord and usurper  
Solemn strength of times gone  
Great triumphs mean nothing  
Noble pillar stands  
Stone pride defines time  
Ever all knowing time

Following endless serpents of Jade  
Weary travellers on the crossroads of life  
Driven by hatred braided with hope  
Searching for truth past  
Appolonia...

Sing to the winds  
Where the earth meets the sky  
Sing to the winds  
Scream to the sky
