

# Warlock, Dark Fade

You're only seventeen  
Today or tomorrow  
You expect a  
Surprise  
Full of erotic  
The first that you can see  
But you don't know  
She's full of lies  
When she passes you by  
You believe that she's alright  
Your eyes aren't  
Seeing clear  
When she can sign  
She takes possession  
You don't know  
Her combat mission  
Oh it's a dark fate - for you  
Dark fate for you  
Dark fate for you  
Oh dark fate for you  
Your fate is sealed  
At that moment  
When you meet her  
Slow but sure  
You feel so sad  
You can't go back  
You're only seventeen  
Today or tomorrow  
You expect a
