

Warlock, Make Time For Love

Takes a life-time of battle
To wipe down this slate
But it don't really matter
I'm a soldier of fate
Takes a life-time of pure desire
A passionate saint
To watch the children lie dying
Outside of heaven's gate
My heart is a lion
That no-one can tame
But I'm falling, I'm falling
I'm falling in love
Oh love don't let me walk away from
Love don't let me be afraid of
Love don't wanna fade without love
Oh I must make time for love
I'm standin' on a field of fire
I'm a rollin' thunder
No-one can save
But it don't really matter
To a fortunate slave
The flames gettin' higher
I pray for rain
And I'm falling
I'm falling, I'm falling in love
Oh love don't let me walk away from
Love don't let me be afraid of
Love don't wanna fade without love
Oh I must make time for love
And my heart is a lion
That no one can tame
But I'm falling
I'm falling, I'm falling in love
Oh love - don't let me walk away from
Love don't let me be afraid of
Love don't wanna fade without love
Oh I must make time
Love don't let me walk away from
Love don't let me be afraid of
Love don't wanna fade
Without love
Don't let me walk away
Don't let me be afraid
Don't let me walk away
Don't wanna fade without love
Without love ...
