Warlock, Make Time For Love

Takes a life-time of battle To wipe down this slate But it don't really matter I'm a soldier of fate Takes a life-time of pure desire A passionate saint To watch the children lie dying Outside of heaven's gate My heart is a lion That no-one can tame But I'm falling, I'm falling I'm falling in love Oh love don't let me walk away from Love don't let me be afraid of Love don't wanna fade without love Oh I must make time for love I'm standin' on a field of fire I'm a rollin' thunder No-one can save But it don't really matter To a fortunate slave The flames gettin' higher I pray for rain And I'm falling I'm falling, I'm falling in love Oh love don't let me walk away from Love don't let me be afraid of Love don't wanna fade without love Oh I must make time for love And my heart is a lion That no one can tame But I'm falling I'm falling, I'm falling in love Oh love - don't let me walk away from Love don't let me be afraid of Love don't wanna fade without love Oh I must make time Love don't let me walk away from Love don't let me be afraid of Love don't wanna fade Without love Don't let me walk away Don't let me be afraid Don't let me walk away Don't wanna fade without love

Without love ...
