

# Warlock, Metal Racer

Racing down on the motorway  
No rest, no place to stay  
He calls it running out of time  
Got no place in society  
Forever fought the Philistines  
He forever walked upon his line  
Outside of the law  
An eternal war  
No-one can hold him back  
Ready to attack  
He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never dies  
Don't care what other people say  
Be what you are, take the hotter way  
Don't be a madman, don't give up  
Take this heavy sound into your brain  
So it's easier to break the chain  
'Cause heavy metal knows no stop  
Outside of the law  
An eternal war  
No-one can hold him back  
Ready to attack  
He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never dies  
He's a damned - racing through the night  
He's a damned - will never see the light  
He's a damned - darkness in his eyes  
He's a damned - but metal racer never dies  
He's racing down the motorway  
No rest, no place to stay

Ready to attack  
He's a damned - racing through the night  
He's a damned - will never see the light

He's a damned - but metal racer never gonna die!
