

Warlock, Metal Racer

Racing down on the motorway
No rest, no place to stay
He calls it running out of time
Got no place in society
Forever fought the Philistines
He forever walked upon his line
Outside of the law
An eternal war
No-one can hold him back
Ready to attack
He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never dies
Don't care what other people say
Be what you are, take the hotter way
Don't be a madman, don't give up
Take this heavy sound into your brain
So it's easier to break the chain
'Cause heavy metal knows no stop
Outside of the law
An eternal war
No-one can hold him back
Ready to attack
He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never dies
He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never dies
He's racing down the motorway
No rest, no place to stay
He calls it running out of time
Got no place in society
Forever fought against the Philistines
Forever walked upon his line
Outside of the law
An eternal war
No-one can hold him back
Ready to attack
He's a damned - racing through the night
He's a damned - will never see the light
He's a damned - darkness in his eyes
He's a damned - but metal racer never gonna die!
