Warlock, Wrathchild

I feel so lonely

Since I had to leave you

'Cause all I had to say

Was not true

I'm thinking of you

Every day and every night

I'm missing your lovin'

Your face and your eyes

I feel so lonely

Since I had to leave you

'Cause all I had to say

Was not true

I'm thinking of you

Every day and every night

I'm missing your lovin'

Your face and your eyes - oh

I had to leave you

But I cannot, cannot forget you

I want you

I want you

I want you!

I stand by my window

And all seems so low

Slow but sure I understand

The good times we had

The good times we had

So empty is my heart

Without you

Without you

Stand apart

I remember your brown eyes

You looked so kind

Looked at me

Sparkled in the night

I'd change my mind

I will take your way

Together forever

Come on, it's the last essay - yeah

I had to leave you

But I cannot, cannot forget you

I want you

I want you

I want you!

I stand by my window

And all seems so low

Slow but sure I understand

The good times we had

The good times we had

So empty is my heart

Without you

Without you

Stand apart

Since I had to leave you

I cannot forget you

Slow but sure I understand

The good times we had

The good times we had

I stand by my window

And I've been so low

Slow but sure I understand

The good times we had

The good times we had So empty is my heart

Without you

Without you Stand apart
