

# Warlord, Beginning/Lucifer's Hammer

It comes through the heavens, on a mission from hell  
A force of destruction, that nothing can repel  
A story is born that no one will live to tell

The obliteration of man, now encased in its shell  
At the push of a button, we all will go to hell  
Who will be left to toll the funeral bell . . .

The Hammer will Fall on you!  
The Hammer will Fall on you!

Devastation, destruction of all the nations  
Annihilation, clouding of all the skies  
Raise the dead from their graves, and throw in yourselves and hide

Save us - from ourselves  
Save us - from ourselves  
Save us - from ourselves  
Save us - from ourselves  
Save us . . .
