

Warner Mack, Don't Wake Me I'm Dreaming

It sure is good to be back in your arms again
To be loving you the way I used to do
I've known all along someday your love I'd win
And that time would finally bring me back to you
Don't wake me I'm dreaming don't wake me I'll cry
Let me keep this feeling don't let my dream world die

Your lips are touching mine the way they used to do
And you're saying all the words I wanna hear
I've forgiven you for leavin' with your someone new
And all that matters now is that you're near
Don't wake me I'm dreaming...
Don't wake me I'm dreaming don't let my dream world die
