

# Warner Mack, I'm Not The Man I Used To Be

I know I'm not the man I used to be  
I forgot to kiss you again this morning or lately that's just want of many things  
And I know how much that means to a woman I know I'm not the man I used to be  
I guess it seems I'm always in a hurry but it takes a lot of time to make ends meet  
And here lately my mind's been so full of worry I know I'm not the man I used to be  
That's not that I've been seeing another  
Loving you's the only thing that was ever good for me  
Darlin' I know you don't have to tell me I know I'm not the man I used to be  
I know I'm not the man I used to be
