

Warner Mack, I've Got A Feeling About You

I've got a feeling I should call you tonight
I've got a feeling things are going just right
Yesterday it seemed you'd try to say we were through
Now I've got a feeling about you
I hate this feeling so mysterious and strange
Just like a heavy burden over me hangs
And I'd give the world tonight to know what to do cause I've got a feeling about you
(trumpet - steel)
Tried so hard to understand you act young somehow
But dark clouds of doubt are sweepin' over me now
Yesterday you didn't seem to be quite so down
And that's weighing heavy on my mind
I hate this feeling...
Yes I've got a feeling about you
