

Warner Mack, Someday (You'll Want Me To Want You)

I know that someday you'll want me to want you
When I'm in love with somebody else
You expect me to be true and keep on loving you
Though I'm feeling blue you think I can't forget you
Until someday you'll want me to want you when I'm strong for somebody new
Though you don't want me now I'll get along somehow and then I'll want you
