

Warner Mack, Tell Me To Go (Tell Me To Stay)

Tell me to go tell me to stay darling I'll do what you say
If you think it's best that I just forget and tell me I'll do the rest
I know I stepped in after you were loving him and I don't have the right to hang on
So tell me to go tell me to stay darling I'll do what you say
(steel)
I know stepped in...
