

Warner Mack, Thanks A Lot

Thanks thanks a lot I got a broken heart that's all I've got
You made me cry and I cried a lot I lost your love baby thanks a lot

Yeah you told our friends I was just passing by and you're not sorry to make me cry
You said I deserve just what I got well if that's how you feel honey thanks a lot
Thanks thanks a lot...

(guitar - steel)

You wanted a fool and I played the part now all I've got is a broken heart
We played a little and laughed a lot and then you were gone well honey thanks a lot
Thanks thanks a lot...
