

Warren Brothers, It Ain't Me

(Brett Warren/Brad Warren/Rob Stoney)

You're Daddy's little girl
Born with a silver spoon
I could tell somebody told you
you hung the moon
You look so good I had to look the other way
You need a man that'll do everything you say

I know baby what you need
I know baby what you need
Yeah, Yeah, Yeah, Yeah, Yeah
It ain't me

At first you were different
Actin' like the shy type
You blew it baby you blamed it on the wine
I should have known that was the beginning of the end
But I took you back baby you did it all over again

I know baby what you need
I know baby what you need
Yeah, Yeah, Yeah, Yeah, Yeah
It ain't me

You don't think I'd leave you standing in the rain
Girl you think my love for you it'll never change
Oh, no, no, no
It used to be enough drinkin' from your lovin' cup
But tonight it's really over
So shut up and get out of my truck

I know baby what you need
I know baby what you need
I know ba-ba-ba-baby what you need
Yeah I know baby what you need
Yeah, Yeah, Yeah, Yeah, Yeah
Yeah, yeah
It ain't me
