

# Warren Brothers, The One I Can't Live Without

Yes I 've been with someone new  
She's a good woman too  
But she can't compare to you

Chorus:

The more time that I spend with her  
The more I see what it's about  
She's someone I can live with  
but you're the one that  
I can't live without

She has brown eyes like you  
Picks me up when I'm feelin' blue  
Showers me with her love  
But somehow it's not enough

Chorus

I know we said it's over  
But I just can't let you go  
'cause no one compares to you

Chorus

The more time that I spend with her  
The more I see what it's about  
She's someone I can live with  
You're the one that I can't live without  
You're the one that I can't live without  
I can't live without you  
I can't live without you
