(feat. Nate Dogg)

[Warren G]

1, 2 buckle my shoe,  
3, 4 we gotta hit the store,  
5, 6 back in the mix,  
7, 8 Warren G and Nate,

[Nate Dogg]

Bang to the boogy say up jump the boogy  
to the rhythm of the boogidy beat  
I dont love no hoes they know so they don't be fuckin wit me

[Warren G]

A long time ago I met Annie Mae  
she was killing me softly like everyday  
penetentiary steel, was stickin for real  
blockbustin through the walls  
now I'm makin housecalls

[Nate Dogg]

I thought I'd met a lot of scandalous women, and then I met Annie Mae  
Got a thin big butt like steel  
But she didn't have a place to stay

[Warren G]

She was shackin at mine and shackin at his  
blowin my socks, tellin his biz  
Nate Dogg this and Nate Dogg that  
213 skirt, and we stay intact  
So I told the homey Nate don't be mislead  
ain't no fun if the homey can't shake a leg  
so I went to the house and knocked on the door  
and guess who it was, Annie Mae you H-O

[Chorus]

I once knew a trick named Annie Mae (Annie Mae)  
(I once met a bitch named Annie Mae)  
I once knew a trick named Annie Mae (Annie Mae)  
I once knew a trick named Annie Mae

[Nate Dogg]

Remember yesterday I asked you baby have I seen you somewhere before  
with just one look, the pussy was took  
cuz I make music that you adore  
Now I'm not sure and I might be trippin  
but in 94 I heard a song  
it ain't no fun unless the homeys can come  
so Warren G put a condom on

[Warren G]

Now Nate you know me and I know you  
I got rubbers, gin and socco(?) too  
so lets do the do, on how we do,  
never my boot, just a freak that I knew

[Chorus]

[Warren G]

Annie Mae, Annie Mae, you ran out of time  
Warren G and Nate Dogg blew your mind  
cuz if you trickin wit him  
you trickin wit me, you trickin wit the 2 1 muthafuckin 3  
I came from rags to riches

trustin no snitches  
thats how we do on 9 C I X bitches  
buck em, fuck em, and put em in the trash  
and jump in the 600 Benz and dash

[Nate Dogg]

Hold up Warren before you go just a couple things I got to say  
Are you goin home, I wanna be alone  
You need to take this... home

[Chorus x3]
