

Warren G. & Nate Dogg, Regulate

Regulators... regulate any stealin of this property
we're damn good too, but you can't be any geek off the street
gotta be handy with the steel if you know what I mean, earn ya keep
Regulators.... mount up!

--Warren G--

It was a clear black night, a clear white moon
Warren G. was on the streets, trying to consume
some skirts for the eve, so i can get some funk
just rollin' in my ride, chillin all alone

--Nate Dogg--

Just hit the eastside of the L.B.C.
on a mission trying to find Mr. Warren G.
Seen a car full of girls ain't no need to tweak
all you skirts know what's up with 213

--Warren G--

So I hooks a left on 21 and Lewis
some brothas shootin dice so i said "let's do this";
I jumped out the ride, and said "what's up?";
some brothas pulled some gats so i said "i'm stuck";

--Nate Dogg--

Since these girls peepin me i'ma glide and swerve
these hookers lookin so hard they straight hit the curb
Onto bigger better things than some horny tricks
i see my homey and some suckers all in his mix

--Warren G--

I'm gettin jacked, I'm breakin myself
I can't believe they taking Warren's wealth
they took my rings, they took my rolex
I looked at the brotha, said "damn, what's next?";

--Nate Dogg--

They got my homey hemmed up and they all around
can't none of them see him if they going straight pound for pound
They wanna come up real quick before they start to clown
I best pulled out my strap and lay them busters down

--Warren G--

They got guns to my head, I think I'm going down
I can't believe this happening in my own town
If I had wings I would fly, let me contemplate
I glanced in the cut and I see my homey Nate

--Nate Dogg--

Sixteen in the clip and one in the hole
Nate Dogg is about to make some bodies turn cold
now they droppin and yellin, it's a tad bit late
Nate Dogg and Warren G. had to regulate

I laid all them busters down, I let my gat explode
now I'm switching my mind back into freak mode
if you want skirts sit back and observe
I just left a gang of those over there on the curb

--Warren G--

Now Nate got the freaks
and that's a known fact
before i got jacked I was on the same track
back up back up cuz it's on
N-A-T-E and me
the Warren to the G

--Nate Dogg--

Just like I thought
they were in the same spot
in need of some desperate help
but Nate Dogg and the G-Child
were in need of something else

one of them dames was sexy as hell
I said "ooh i like your size"
she said "my car's broke down and you seem real nice,"
"would ya let me ride?"
I got a car full of girls and it's going real swell
the next stop is the Eastside Motel

--Warren G--

I'm tweaking, into a whole new era
G-Funk step to this I dare ya
funk, on a whole new level
the rhythm is the bass and the bass is the treble
chords, strings, we brings, melody
G-Funk, where rhythm is life, and life is rhythm

--Nate Dogg--

If you know like I know
you don't wanna step to this
it's the G-Funk era
funked out with a gangster twist
if you smoke like I smoke
then you high like everyday
and if your ass is a buster
213 will regulate...
