

# Warren G, Transformers

Microphone check one two uh  
and you don't stop  
microphone check one two uh  
and ya don't quit

Microphone check one two one two  
Let me clear my throat so I can do what I gotta do  
It's espresso, mandle that I'm stacked  
Niggaz, tryin to corner the market but I'm back  
Bang to the boogie, and boogie to the bang  
It's G-Funk for life sewing up everything  
Little locs, pay attention  
Do I or should I have to mention  
44 ways where the grass is greener  
from OG to BG is a misdemeanor  
St. Mary's Hospital, 10:20 AM  
on the street called Atlantic is where I began  
Ola May, uh, thats my lady, she made me  
on a street under the bridge called hill, thats where she raised me

[Chorus 4X]  
Transformers, busters in disguise

I say chitty chitty bang bang  
brothers wanna gang bang  
tryin to represent but dont know about the gang thang  
21st where it all begun  
begun us on the corner with the homies havin fun  
I was a youngsta, peepin from the other corner  
seeing sets in the air with big arms now I wanna  
be like them, and act like them  
and stack like them and try to mack like them  
shit, its hard being Warren G from the LB  
and like the G's before, you know me  
so I'm a stay down, for the eastside  
not like you busters, transformers in disguise

[Chorus]

I gotta give it up with the homie roll call
