

# Warren Zevon, Backs Turned Looking Down The

(Warren Zevon)

I was caught between the years  
Nearly cost me all my tears  
With my back turned, looking down the path  
Hit me like a ton of bricks  
Had to have my outlook fixed  
With my back turned, looking down the path

People always ask me why  
What's the matter with me?  
Nothing matters when I'm with my baby  
With my back turned, looking down the path

We'll go walkin' hand in hand  
Laughin' fit to beat the band  
With our backs turned, looking down the path

People always ask me why  
What's the matter with me?  
Nothing matters when I'm with my baby  
With my back turned, looking down the path

Some may have, and some may not  
God, I'm thankful for what I got  
With my back turned, looking down the path  
With my back turned, looking down the path  
With my back turned, looking down the path
