

# Warren Zevon, I Have To Leave

I have to leave  
Let me go now  
I dont want to be here anymore  
you are boring  
Let go of my arm  
I have things I have to do  
Im late for my train to Milan  
Ow, I stubbed my toe  
Where are my sandals?  
Did you take my wallet?  
Give It back  
Im not messin around here  
I really have to go now  
leave me alone  
Thats it im going to bite you  
If you dont let me go  
Im calling the Police  
Get off of me  
Ill tackle you and hide you  
in the closet till I get back  
RRRRiiinnnggg  
Answer the damned phone  
Im leaving
