

Warren Zevon, I Was In The House When The House

(Warren Zevon)

I had the shit till it all got smoked
I kept the promise till the vow got broke
I had to drink from the lovin' cup
I stood on the banks till the river rose up
I saw the bride in her wedding gown
I was in the house when the house burned down

I may be old and I may be bent
But I had the money till it all got spent
I had the money till they made me pay
Then I had the sense to be on my way
I had to stay in the underground
I was in the house when the house burned down

I was in the house when the house burned down
I met the man with the thorny crown
I helped Him carry his cross through town
I was in the house when the house burned down

I was in the house when the house burned down
I met the man with the thorny crown
I helped Him carry his cross through town
I was in the house when the house burned down

I had the shit till it all got smoked
I kept the promise till the vow got broke
I had to drink from the lovin' cup
I stood on the banks till the river rose up
I saw the bride in her wedding gown
I was in the house when the house burned down
