

# Warren Zevon, Jesus Mentioned

(Warren Zevon)

I'm going down to Memphis  
Memphis, Tennessee  
I'm going down to Graceland  
Thinking about the King  
Remembering him sing  
About those heavenly mansions  
Jesus mentioned

Can't you just imagine  
Digging up the King  
Begging him to sing  
About those heavenly mansions  
Jesus mentioned

He went walking on the water  
He went walking on the water  
He went walking on the water  
With his pills

Can't you just imagine  
Digging up the King  
Begging him to sing  
About those heavenly mansions  
Jesus mentioned
