

# Warren Zevon, Searching For A Heart

(Warren Zevon)

Darkness in the morning  
Shadows on the land  
Certain individuals  
Aren't sticking with the plan

And I'm searching for a heart  
Searching everyone  
They say love conquers all  
You can't start it like a car  
You can't stop it with a gun

Leaving in the evening  
Traveling at night  
Staying inconspicuous  
I'm staying out of sight

And I'm searching for a heart  
Searching everyone  
They say love conquers all  
You can't start it like a car  
You can't stop it with a gun

They tell me love requires a little standing in line  
And I've been waiting for you, lover, for a long, long time  
I've been pacing the floor  
I've been watching the door  
Meanwhile I'll keep searching for a heart

Searching high and low for you  
Trying to track you down  
Certain individuals  
Have finally come around

And I'm searching for a heart  
Searching everyone  
They say love conquers all  
You can't start it like a car  
You can't stop it with a gun

They tell me love requires a little standing in line  
And I've been waiting for you, lover, for a long, long time  
I've been pacing the floor I've been watching the door  
Meanwhile I'll keep searching for a heart  
Searching everyone  
They say love conquers all  
You can't start it like a car
