

Warren Zevon, She's Too Good For Me

(Warren Zevon)

I could hold my head up high and say that I left first
Or I can hang my head and cry
Tell me which is worse

If you go and ask her why
She might say she's not sure
Trust me when I tell you I'm not good enough for her

I want her to be happy
I want her to be free
I want her to be everything she couldn't be with me

I'd wait here for a thousand years if she'd come back to me
I have everything she wants but nothing that she needs

I want her to be happy
I want her to be free
I want her to be everything she couldn't be with me

I could hold my head up high and say that I left first
Or I can hang my head and cry
Tell me which is worse

If you go and ask her why
She might say she's not sure
Trust me when I tell you I'm not good enough for her
