

# Warren Zevon, The Overdraft

(Thomas McGuane & Warren Zevon)

I had a little girl, now  
We crossed the state line  
It was more than just an overdraft  
We were looking at time

If I do say so I can't let go  
And I don't take no for an answer  
If I do say so I can't let go  
And I don't take no for an answer

We had to leave in a hurry, now  
No time to hesitate  
It was worse than misunderstanding  
I had to ask her not to call it fate

If I do say so I can't let go  
And I don't take no for an answer  
If I do say so I can't let go  
And I don't take no for an answer

No one sleeps on the yellow line  
No one's that alone  
Someone's in the window  
So don't try to use the phone  
We're just up against it  
We turned up in the zone  
If you ever get an overdraft  
You'll never make it home

If I do say so I can't let go  
And I don't take no for an answer  
If I do say so I can't let go  
And I don't take no for an answer  
If I do say so I can't let go  
And I don't take no for an answer  
If I do say so I can't let go  
And I don't take no for an answer
