im dieing inside one more day  
throw my life out to die  
i was invited to play  
so i tried divine for you  
this broken soul,i cant denie  
when you drown,i'll help  
your mind is my hell

this broken soul  
this broken hert

im laughing inside one more  
throw this life out to dry  
i was invited to stay  
so i tried to die for you  
this broken soul,i cant denie  
beat all alone  
the walk is is cold

this broken soul  
this broken soul

i cant remember when we grew up instead  
im seeing sin,and listining to dreams  
how far away from it were we  
close enough to fuck it

you will have to wait  
look in his face  
tell him about hate  
what about everyday

this broken soul
