

# Warrior Soul, Dimension

Come on down  
See the world  
It's a happy place  
I love you girl

Come on down  
Eyes open wide  
It's a happy time  
Come inside

You blow my mind  
Every time  
Take my heart to another dimension

Come on down  
It's a ball  
It's a lovely place  
I love you all

You blow my mind  
Every time  
Take my heart to another dimension
