

# Warrior Soul, Trippin' On Ecstasy

(Clarke-Ricco-McClanahan)

No more pain Im almost there  
Im a cellophane pioneer

Im ridin hard Im takin off  
You look so pretty when youre near

M.D.M.A.  
Trippin on ecstasy  
Trippin on ecstasy  
Now im free

My planets dead And im the king  
Im in love with everything Im losing weight  
My minds a wreck But im in touch with my feelings

M.D.M.A.  
Trippin on ecstasy  
Trippin on ecstasy  
Im trippin on ecstasy  
Im trippin on ecstasy  
Now im free No one can catch me

Look at me again I can see again  
Look at me agin I can see agin

Hit the motherlode Drop two more hits  
Im on a power drive

I dont get sick I can touch the sky  
No one knows im alive

M.O.M.A.  
Trippin on ecstasy  
Trippin on ecstasy  
Im trippin on ecstasy  
Im trippin on ecstasy  
Now im free

Look at me agin I can see again  
Im out there again man
