

# Warzone, Always-A Friend For Life

Our time has come  
You say you're too old to stay young  
Ignorant attitudes - have gotten so fucked  
You let life go by  
Cause you're afraid to die  
I'm doing the best I can  
To keep us satisfied  
ALWAYS - I'm there if you want  
ALWAYS - We won't grow apart  
ALWAYS - Got me by your side  
ALWAYS - A friend for life  
I don't have to worry about problems today  
Cause I can count on you and you won't go away  
Don't need to know the correct way of life  
We'll stand together - fight for what's right!  
ALWAYS - I'm there if you want  
ALWAYS - We won't grow apart  
ALWAYS - Got me by your side  
ALWAYS - A friend for life  
I don't need answers - about today  
Don't worry about the future - it won't go away  
I was there before, I'll be there again  
Looking out for you - until I'm dead
