

# WASP, Black Bone Torso

Black bone torso, black bone torso  
Cyanide a suicide  
No thoughts of pain  
Genocide a crucified martyr's laid  
Down to the dust there to fade away  
All geeks and circus freaks  
Come play with me  
Pimps to bring my sex fiends  
Molesting me  
Round to the lust my debauchery  
Destined here to reign supreme  
Your bloodied king  
Dying for the world  
Oh death where is thy sting  
My black bone torso's  
Bleeding me
