

# WASP, L.O.V.E. Machine

Lady, have you known me? The  
Perfect love machine. Im  
Virgo my Leos rising,  
Venus made me king.  
That chain of broken hearts -  
They all belong to me.  
Magic runs through my fingers,  
One touch - you'll see!

[Chorus:]  
L.O.V.E.  
All I needs my love machine, oh  
L.O.V.E.  
All I needs my love machine, oh  
L.O.V.E.  
All I needs my love machine, oh  
L.O.V.E.  
All I needs my love machine tonight!  
Tonight!

What can I do for you? Am  
I your wildest dream?  
What do I move in you? Am  
I what I seem?  
My eyes they lie and you cry,  
Love brings you pain!  
And if you try to love me,  
You'll not be the same!
