## WASP, Show No Mercy

## [Lawless]

I, I hear the mighty engines roar And I unleash the savage dogs of war Ooh, I'm the outlaw that rides White anglo saxon, a violent reaction Fire is my fuel, steel and iron rule Ride on wasteland A madman's badland Ride on wasteland And I will survive to show no mercy I can feel the cycles as they turn And I can smell the bodies as they burn Ooh, the city's on fire White anglo saxon, a violent reaction Fire is my fuel, steel and iron rule Ride on wasteland A madman's badland Ride on wasteland And I will survive to show no mercy Pain and hunger all across then thunder Life is for the biggest, it's survival of the fittest Ride on wasteland (show no mercy) A madman's badland (on you) Ride on wasteland (show no mercy) A madman's badland (on you, on you, on you)
